

Travel Tips

- MOST businesses in Tok are open year-round. Reservations from June-August are recommended.
- TOK'S summer temperature averages 60-70°F in June-August.
- Bring a light jacket and good walking shoes.
- TOK'S winter temperatures average -30°F.
- All major roads are maintained year-round.
- Taylor/Top of the World Highways are good seasonal (May-Sept) gravel roads. Travel at moderate speeds.
- Please allow extra time on all roads due to added seasonal traffic, mining, and road construction.
- HOMESTEADING & FREE LAND are things of the past.
- U.S. CURRENCY and credit cards are accepted at most Alaskan businesses.
- TOK has no car rental agencies.
- BUS SERVICES to Fairbanks, Anchorage, Whitehorse & Haines.
- SEATBELTS are to be worn by state law, and while headlights on during daylight is not a requirement, it is good safety practice.
- NORTHERN LIGHTS are visible August through May.
- Remember to obtain a Passport before traveling to Alaska, remember that Alaska is divided in two parts with Canada in between.
- ALASKA is a large state, a small distance on a map may take hours to drive.
- Our two main seasons are winter and road construction.

Welcome to Tok Alaska

Welcome to Tok, Alaska - the official welcoming committee for travelers crossing into Alaska! This friendly hub community is the perfect starting point for your Alaskan adventure. With highways leading in every direction, Tok offers access to the stunning interior of Alaska, Gold Fields, scenic rivers, and public lands just waiting to be explored.

Founded as a camp for the construction of the Alcan and Glenn Highways during World War II, Tok has a rich history and plenty of tall tales to discover. Stop by the Mainstreet Tok Visitor's Center to learn the real story behind Tok's name - you won't be disappointed!

While you're here, make sure to check out the local Native arts and crafts in the gift shops and learn about the Athabascan Native villages that call Tok their trade center. If you're feeling adventurous, join the Tok Dog Mushers or explore the winter wonderland with snow machining, cross country skiing, hunting, and trapping.

And don't forget to keep an eye out for the breathtaking Northern Lights displays that Tok is famous for. Come experience the coldest inhabited community in North America with the warmest, friendliest people in the interior - Tok is waiting to welcome you with open arms!
